

House Investigation

OXFORD
PRESERVATION
TRUST

Have you ever thought about your house?
You can find out lots of things by looking carefully.

How old is your house?

What materials is your house built of?

Think about the material for the roof, windows, door, walls and chimney (if you have one).

Write them on the house picture.

Do you know who built your house?

Do you have a garden?
What is it like? Draw or write about it here.

What do you love most about your house?
